Education

- | | |
|--|-------------------|
| • Modern Academy Inter College, Lucknow
High School | 04/2015 – 04/2017 |
| • Modern Academy Inter College, Lucknow
Intermediate | 04/2017 – 04/2019 |
| • Madan Mohan Malaviya University of Technology, Gorakhpur
Bachelor of Technology | 08/2020 – 07/2024 |

Project Work

• Recipe-Wizard (10/2024):

- This application lets users input ingredients and fetch relevant recipes through an API, displayed in interactive cards with links to the original source.
- Users can add recipes to their favourites, automatically generating and updating a real-time shopping list with the required ingredients for easy grocery planning.

• React-Chat (01/2024):

- Created a real-time messaging app built with React JS and Firebase for secure authentication and data management. Styled with Tailwind CSS, it delivers a seamless chat experience with Google login and instant messaging.

• Code Editor with Live Preview (12/2024):

- Built a React code editor for HTML, CSS, and JavaScript with live preview functionality.
- Implemented a zip file download feature, improving user experience with real-time rendering and error handling.
